

EVENTS OF DAY IN WEST SCRANTON

LADIES OF THE EASTERN STAR ENTERTAIN FRIENDS.

Affair Was Held at the Residence of Mr. and Mrs. John H. Fellows, on Tenth Street—Was the First This Season—Marriage of Miss Jennie Griffith to Ernest Northup—Y. W. C. A. Branch to Be Organized—Incendiary Fire—Other Notes of Interest.

A most enjoyable social affair was held at the residence of Mr. and Mrs. John H. Fellows, on Tenth street, last evening. It was of the nature of a dinner social under the direction of the ladies of the Order of Eastern Star, an auxiliary of Hyde Park lodge, Free and Accepted Masons. The committee of arrangements was composed of Mrs. Charles Lanning, Mrs. Willard Lanning, Mrs. William Madden, Mrs. E. H. Kreage and Miss Anna R. Williams.

A musical and literary program was enjoyed, consisting of duets by Misses Helser and Saxe, recitations by Miss Clara Slocum, mandolin solos by Arthur E. Morse, accompanied on the piano by Walter Davis; piano solos by Miss Lois Fellows, and other instrumental selections. The recitations by Miss Slocum were particularly pleasing, and a bright future is in store for the clever little miss.

After the program, luncheon was served by the ladies of the order, and the remainder of the evening was spent in social pleasanties, usually enjoyed at these affairs. This is the first social held under the auspices of the ladies of Eastern Star this season, but will be followed by others in the future.

Mr. and Mrs. Fellows and their charming daughters proved equal to the occasion, and their hospitality was thoroughly appreciated by the guests.

NORTHUP-GRIFFITH NUPTIALS. At the parsonage of the Washburn Street Presbyterian church at 8 o'clock last evening Rev. P. J. Moffat united in marriage Ernest Northup, of 1453 Capouse avenue, Green Ridge, and Miss Jennie Griffith, of 125 South Hyde Park avenue.

The couple were unattended and the only witnesses present were Mrs. L. P. Moffat and Mrs. Frank Lanning. The bride was becomingly attired in a costume of blue material and trimmings to match. She is the daughter of Mrs. Nettie Griffith and sister of Mrs. Henry Ferber, jr. of Rock street. The groom is a native of Glenburn, but has resided in this city for about two years and holds a responsible position with A. J. Warman, of the Lackawanna country.

The bride is a charming young lady and enjoys a large acquaintance among the young people of West Scranton. Mr. Northup is well known in Green Ridge. They will reside for the present at 125 South Hyde Park avenue.

FARMER CAME TO GRIEF.

John Wiesel, a farmer residing in Bakedly borough, came to town Wednesday with a load of hay, and after disposing of it proceeded to purchase some liquor. A natural consequence followed, and becoming very weary he sat down on a West Lackawanna avenue store step to sleep. Patrolman Marler picked him up and escorted him to the station house to spend the night.

Wiesel is famous as a fox killer, having received bounty from Lackawanna county for the skins of nearly a hundred of the cunning animals. He was very repentant and signed the pledge, which he promised to keep for life. At the hearing yesterday morning Alderman Kellow fined him \$2, which he paid and reiterated his promise never to indulge again. His team, which was stalled in a barn in North Scranton, was recovered, and he returned to the farm a sadder, but wiser man.

THE TRAMP NUISANCE.

Several attempts have been made of late to destroy the buildings situated on that corner, and yesterday's fire adds but another to the list. The building was situated with all, and it is quite evident the place was set on fire. The property is owned by a resident of Pittsburgh and is looked after by Winnie Stern, the hotelkeeper. The residents in that locality are alarmed and fear that other properties may be destroyed by the "firing" process.

PECULIAR OCCUPATION.

Peter Malally, of Bellevue Heights, was arrested by Patrolman Saul early yesterday morning for acting suspiciously in the rear of Dougher's hotel on Scranton street. When the officer found him he was rolling an empty beer barrel away from the premises and claimed the proprietor had given him the privilege of draining the barrel.

Mrs. Dougher was questioned and denied that her husband had granted such privileges. Malally is a vagrant and has been charged with crime and disorderly conduct in other parts of the city. He was given a hearing before Alderman Kellow yesterday morning and released upon payment of a fine of \$3.

DIME SOCIAL.

The ladies of Electric Temple, No. 82, auxiliary of the Knights of the Golden Eagle, held a dime social at the residence of Mrs. A. R. Colyer, 354 North Bromley avenue, last evening, which was well attended. Many members and friends were in attendance, and an excellent supper was served between the hours of 6 and 11 o'clock.

The affair was in charge of a committee composed of Mrs. Bertha Smith, Mrs. Mary Conklin, Misses Jane Flynn, Bessie Bortree and Ella Dietrich. The assemblage spent the evening in sociability.

WASHBURN STREET CHURCH.

A business meeting of the members of the Washburn Street Presbyterian church was held last evening at which several matters pertaining to church work was discussed. Rev. J. P. Moffat presided.

A series of meetings will begin in the church next Monday evening, and will continue for two weeks. Several well-known and prominent speakers will be present at the services, and addresses on many subjects will be given.

DIED IN ENGLAND.

Mrs. David Reynolds, of 319 Thirteenth street, has received the sad news of the death of her brother, Rev. Edward J. Griffith, which occurred recently at Berkshire, England. Rev. Griffith was one of the first students to enter the Congregational college at Melbourne, Australia, when it was opened in the year 1852.

After laboring there for many years he returned to his native country where he served his church faithfully. Deceased was very well known in England and has many friends here.

EPWORTH LEAGUE MEETING.

The Simpson chapter of the Epworth league held a business meeting in Simpson Methodist Episcopal church last evening at which reports were read by the presidents of the various departments. Rev. J. B. Sweet, Miss

representative yesterday afternoon, expressed the opinion that too much generosity is displayed by housewives in harboring tramps by feeding them and encouraging them by giving them clothing and in some cases money. Scarcely a day passes but a dozen or more tramps are fed at backdoors, and many of them become impudent when refused. Where they are encouraged they sometimes call again, and also send their companions to solicit food and clothing. By so doing a house is surveyed by the tramps and doubtless many robberies have been the result of their visits. Instead of being fed and encouraged, they should be reported to the police.

Y. W. C. A. BRANCH HERE.

A meeting of the ladies interested in the formation of a branch of the Young Women's Christian association on this side was held in the Washburn Street Presbyterian church at 3:20 o'clock yesterday afternoon. Mrs. E. H. Kreage, state chairman, presided, and Mrs. W. C. Gates, president of the local association, and others, including Mrs. W. H. Hanley and Miss Hannah Deacon, of the central city, were present and gave short talks on the work being done by the association.

It was unanimously decided to establish a branch here, and a committee consisting of Misses Marilla Motz, Abbie Hancock and Margaret Jamison was appointed to look up suitable quarters for the location of the branch. Much interest was manifested in the movement and the work will undoubtedly receive the encouragement necessary to carry it out successfully.

The meeting was adjourned to next Monday afternoon at 4 o'clock, when the ladies will meet in Simpson Methodist Episcopal church, but the plans mapped out and heard the report of the committee on location.

DEBATE ON MONROE DOCTRINE.

An interesting debate was held last evening in the rooms of St. Brendan council, Young Men's Institute, corner of Main avenue and Jackson street. The subject was "Resolved: That the Monroe Doctrine Should be Upheld." The affirmative side was upheld by Joseph Gaylor, Thomas Judge and Thomas Lavin and the negative side was upheld by Charles Canavan, Patrick Grant and James Deane. The judges were Thomas McHugh, Frank McLean and Amos Embrey. The affirmative side was declared victorious.

Joseph Carey read an essay on "Education" which was well written and contained many good points. A declaration on "Caesar" was given by William Gilroy. The session was largely attended and much interest was manifested in the arguments of the debaters. The council will enjoy a similar treat on Thursday evening, March 22.

YESTERDAY MORNING'S FIRE.

The alarm sounded from Box 37, corner of Jackson street and Everett avenue, at 5:05 yesterday morning was caused by a blaze in an unattended story and a half dwelling at the corner of Elmwood and Main streets. The Columbus and Franklins responded and put out the flames before much damage was done.

Several attempts have been made of late to destroy the buildings situated on that corner, and yesterday's fire adds but another to the list. The building was situated with all, and it is quite evident the place was set on fire. The property is owned by a resident of Pittsburgh and is looked after by Winnie Stern, the hotelkeeper. The residents in that locality are alarmed and fear that other properties may be destroyed by the "firing" process.

IS IT A TRIFLE?

THAT COMMON TROUBLE, ACID DYSPEPSIA OR SOUR STOMACH.

Now Recognized as a Cause of Serious Disease.

Acid dyspepsia, commonly called heartburn or sour stomach, is a form of indigestion resulting from fermentation of the food. The stomach being too weak to digest it, the food remains until fermentation begins, filling the stomach with gas, and a bitter, sour, burning taste in the mouth is often present. This condition soon becomes chronic and being an every day occurrence, it is not immediately fatal, many people do nothing for the trouble.

Within a recent period a remedy has been discovered proposed solely to cure dyspepsia and stomach troubles. It is known as Stuart's Dyspepsia Tablets and is becoming rapidly used and prescribed as a radical cure for every form of dyspepsia.

Stuart's Dyspepsia Tablets have been placed before the public and are sold by all druggists for 50 cents per package. It is prepared by the F. A. Stuart Co., Marshall, Mich., and while it promptly and effectually restores a vigorous digestion, at the same time it perfectly balances the public in the most delicate stomach, but on the contrary by giving perfect digestion strengthens the stomach, improves the appetite and makes life worth living.

HAPPENINGS OF NORTH SCRANTON

PAVE MOVEMENT RECEIVED ANOTHER SET BACK.

Action of Council Will Cause Indignation in This Part of the City. Entertainment in the Puritan Congregational Church—A Workers' Meeting Conducted by Evangelist Neal in the North Main Avenue Baptist Church—Basket Ball at the Armory Tonight.

In common council last night the ordinance providing for the paving of North Main avenue and Providence road received another severe blow. It failed of passage because a number of councilmen, for reasons best known to themselves, refused to vote for it.

This set back will cause great indignation in this part of the city. There is no question about the urgent need of paving the streets in question and this second set back will be anything but pleasant news hereabouts.

There is a possibility that common council will reconsider its action at the next meeting. The majority of the people of this part of the city certainly hope that they will.
